### Ezpaycheck 2013 Updated To Handle Pre-Tax Deductions

*EzPaycheck 2013 is updated for ease of use to customers withholding pre-tax deductions. Test drive today at no cost or obligation by visiting [www.halfpricesoft.com](http://www.halfpricesoft.com).*

Payroll tax software developers at Halfpricesoft.com have updated and enhanced the 2013 EzPaycheck software to include withholding pre-tax deductions such as 401K, flex accounts, health insurance, etc. The current version will make withholding these amounts easy to learn and incorporate into payroll checks.

EzPaycheck payroll software developers believe small business owners should focus on growing business not spending time on tax calculations. They are confident that ezPaycheck software can automate and simplify the pre-tax payroll calculations, paycheck printing and tax form reporting for employers.

*“Updates to our small business payroll software and the added features in ezPaycheck will allow customers to withhold multiple pre-tax deductions in a snap.”* said Dr. Ge, the founder of halfpricesoft.com.

Customers seeking a way to simplify payroll processing with more accuracy can go online to [http://www.halfpricesoft.com/payroll\\_software\\_download.asp](http://www.halfpricesoft.com/payroll_software_download.asp) and download the payroll accounting software.
