

TEA OF A KIND®

INTRODUCING THE ECO 4 PACK

Great for life on the go, and the environment.

TRANSFORM YOUR WATER.

#TOAK

teaofakind.com

YOU HAVE A PROBLEM!

Traditional bottling allows vitamins, antioxidants, and other key functional ingredients to lose their potency while sitting on the shelf.

Our tea is stored in the patented Vessl cap, which prevents degradation of key ingredients. Twist the pressurized Vessl cap, and transform your water into delicious real brewed tea.

PROBLEM SOLVED!

ENORMOUS ENVIRONMENTAL BENEFIT

- **MANUFACTURING** – conserve resources and reduce waste by eliminating the bottling environment.
- **DELIVERY** – reduce pollution and resource consumption by shipping compact TOAK closures vs. heavy bottles of water to distributors and retailers.
- **CONSUMPTION** – allow consumers to reduce plastic bottle waste by reusing the provided bottle.
- **RECYCLABLE** – all packaging materials are 100% recyclable.
