SUPPORTING AND CELEBRATING INJURED VETERANS

Hailed by the Wall Street Journal as “revolutionary,” MusiCorps helps wounded warriors play music and recover their lives. The MusiCorps Band, the performance component of MusiCorps, has performed with Roger Waters, Yo-Yo Ma, and Sheryl Crow, at the Kennedy Center, Grand Ole Opry, and Madison Square Garden, and on PBS, CNN, The Colbert Report and NCIS.

“What a great f’in band it is!

- Tom Morello, Rage
Against The Machine
