Why not make an interesting theme for the flipping book?

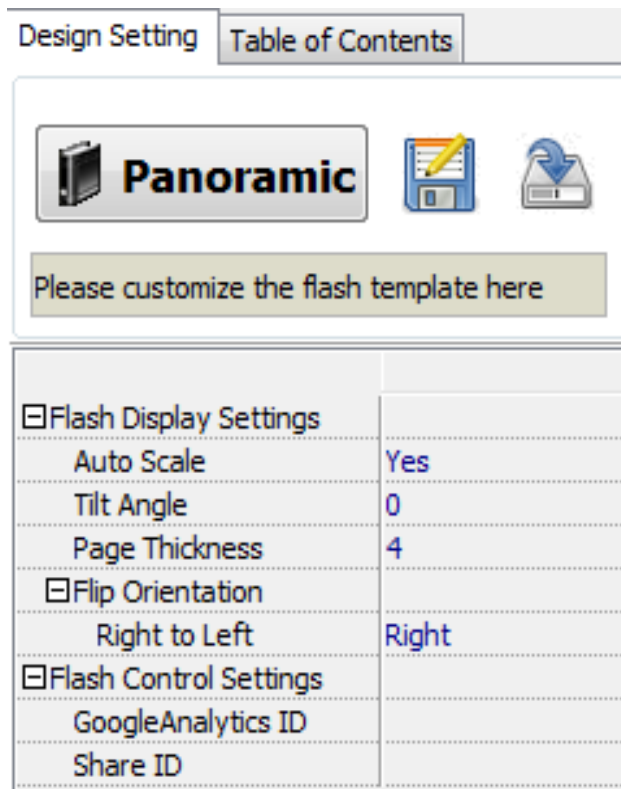

- Don't you desire to create different views when you have a flipping book made by [3D PageFlip Professional](#)?
- Make your work different from others!
- Improve your tastes through the flipping book design!
- Show your flipping book readers another you!

**Now, let's start a designing journey and
your life is colorful!**

The steps to follow:

- Step 1:

Start the 3D PageFlip Professional and you can find the Page Layout setting options as below.

Panoramic is a 3D template to help you create eBook in 360 degree

- Select Template: Panoramic, Fresh, Handy etc.
 - Set a picture in the background as you like! Or fill the background with pure color or gradient color! Set tool bar color and tilt angles because all this can help you improve your work!
 - What's more set background music for your flip book~~
- I would introduce you the Bandari's songs. So wonderful!
