SERVICES

Nationwide Due Diligence

Our Nationwide Due Diligence services have everything you need to order full due diligence packages across Canada in one place. Either select products one by one and combine them into comprehensive search packages, or create package templates and re-use them any time you need to order the same set of searches. Whatever the way, ESC makes it easy to satisfy your nationwide due diligence needs effectively and efficiently.

Corporate Searches

We have a full range of Corporate Searches and Business Name Searches with real-time fulfillment in most Canadian Jurisdictions; all available via our online eService portal.

PPSA Search & Registration

ESC conducts certified and uncertified searches under the Personal Property Security Act (PPSA) within each province and territory in Canada and Uniform Commercial Code (UCC) Searches and Registration services in most U.S. states. In addition ESC offers a unique PPSA Summary service through our automatic summarization tool for accurate and real-time PPSA summarization.

Corporate Supplies

Whether you choose to order by phone, email, Or to shop online, ESC has the options to fit your business needs! The extension of our supplies repertoire to include legal specialty products such as tabs to fulfill your Closing books, Legal specialty papers for your Wills, Estates, or Real Estate and Litigation matters has taken us to another level of being one of the most extensive supplies service providers in the business.
