Wilbur Smith Attorneys at Law hosts event that helps raise over \$310,000 for Captains for Clean Water.

Fort Myers, FL – On March 3rd Wilbur Smith hosted the inaugural “Restore - Clean Water Gala” where more than 350 fishermen, outdoorsmen and concerned citizens gathered at the Historic Burroughs Home in Fort Myers, Florida.

Managing partner, Sawyer C. Smith said “We are proud to see so many people join Captains for Clean Water in the struggle to save the economy, ecosystems and quality of life in the Great State of Florida. It is no longer acceptable to stand by and let others fight our battles for us. It truly is NOW OR NEVERGLADES.”

Captains for Clean Water is a 501(c)3 nonprofit organization that advocates for healthy marine ecosystems in Florida by improving water quality. CCW was formed in the Spring of 2016 when a group of fishing guides from Fort Myers, Fla decided enough was enough with Florida’s poor water management practices and that it was time to stand up and protect their livelihood and the way of life for future generations.

At Wilbur Smith, our enthusiasm for the law and dedication to our clients is marrow deep. In our law firm, we are motivated by the needs of our clients and our lawyers are driven by an indefatigable commitment to the Constitution of the United States of America.
