Waft™

A stirring revolution in fragrance that finally allows you to fully express exactly who you are — moment to moment. A revolution that demands a return to quality and individuality!

Waft's innovative personalised fragrances empower you to design your own unique perfumes, based on your specific preferences and tastes — the scents that make you smile and feel alive. Imagine that, a fragrance that transforms with you, throughout the day.

Stack: AWS, MongoDB, Node.js, AngularJS 2.

Lineslip platform works like you do!

Designed by experienced insurance professionals for insurance professionals. One intuitive platform to manage the risk marketing process from data gathering to generating the client proposal.

All team members can collaborate efficiently with our workflow integrated chat function without dozens of emails.

Stack: Azure, MS SQL, Web API 2, AngularJS.
