Dear Mr. Ippolito:

The Advisory Committee on Judicial Conduct, in conformity with Rule 2:15-10, has directed me to write to you in respect of its disposition of the above-referenced matter, which, as you know, concerned your grievance against the Honorable Philip J. Maenza, J.S.C. After completing a careful review of your grievance, the Committee has decided to issue a private letter of reprimand to Judge Maenza. The Committee's file in this matter is now closed.

The Committee's disposition as well as all correspondence with this office in respect of this matter remains confidential, pursuant to Rule 2:15-20. Thank you for bringing this matter to the Committee's attention.

Very truly yours,

  
Candace Moody
