KNOW THE WARRIOR

WARRIORSERVE® IS A RELIABLE, COST-EFFECTIVE & SECURE INFORMATION SYSTEM THAT STREAMLINES THE COLLECTION & ANALYSIS OF CRITICAL WARRIOR INFORMATION, ALLOWING COMMUNITIES TO FOCUS ON PROVIDING HOLISTIC WARRIOR CARE.

OUTREACH SOLUTION

- Salesforce® app allows advocates to conduct intake in the field.
- Natively connects to most major marketing platforms; allows for campaign creation directly from WarriorServe®.

CASE COORDINATION

- Partner Portal allows advocates to refer cases to key partners, share files and collaborate with team members even if they are not Salesforce® users.
- Secure real-time connection between Community Integration organizations and key partners ensures warrior records are always up to date.

ANALYTICS & REPORTING

- Unlimited analytical solutions are available at every level; from advocate to funder.
- Custom reports and dashboards give comprehensive insight into organization, team and individual performance through native reports and dashboards.
