About PLEXIS Healthcare Systems

Empowering the business of healthcare

PLEXIS Healthcare Systems is a leading payer technology company that delivers trusted enterprise Core Administration and Claims Management solutions to healthcare payers and delivery systems around the globe. PLEXIS empowers the business of healthcare, igniting growth, innovation, and efficiencies across diverse business lines for payer organizations.

Based in Ashland, Oregon, PLEXIS currently serves organizations in 37 states, 15 countries, and over 60 million people worldwide. PLEXIS provides mission-critical solutions that catalyze efficiencies and connect evolving business ecosystems to a wide range of payer organizations and delivery systems.

THE PLEXIS DIFFERENCE

At PLEXIS, our guiding mission is to create positive and meaningful change within the healthcare industry through innovation and collaboration. Our proven payer platforms continue to evolve with the agility to meet the rapid changes within our industry, driving higher auto-adjudication rates and processing over a million claims transactions daily. With the proven strength of our agile, scalable technology, PLEXIS is prepared for the years of administrative and technological changes to come.

Experience

PLEXIS' extensive experience demonstrates our position as a trusted leader in the global healthcare payer community with 19 years of market leadership and over 100 successful implementations to date.

Relationships

In the PLEXIS approach to customer relationships, we adhere to the tenets of collaboration, value, and integrity. Our average client tenure is over 8 years. Our prestigious 95% customer retention rate reflects our commitment to valued relationships.

Culture

PLEXIS was founded in 1996 and boasts a culture that uniquely permeates wellness, work/life balance, and encourages employees to live happy, healthy lives. [Visit plexislife.com](http://plexislife.com) to learn more about the PLEXIS culture.
