

6 Reasons

To Choose Alpine Security for Training

1

Exam Pass Guarantee

We do our best to prepare you for the exam. If you do not pass the certification exam, you can retake the course for FREE. You can even retake the course a second time, BEFORE your exam. Your success is important to us.

2

Exam Vouchers/Fees Included

We offer an all-inclusive rate. Every one of our certification courses includes the exam voucher/exam fees. If you do not want the voucher or fees included, let us know; we will reduce your tuition.

3

Trainers that are Practitioners

Our trainers also work as cybersecurity engineers & analysts. We are not *just* trainers, armed with only book knowledge. We bring real-world experience to the classroom. Our experience bridges the gap from theory to practice & makes abstract topics tangible.

4

Official Print and Digital Content

We are an EC-Council Accredited Training Center (ATC) & CompTIA Authorized Delivery Partner. Our EC-Council courses include iLab subscriptions, print & digital content, & the exam. We only use CompTIA-approved content for CompTIA courses.

5

Live Online & Live In-Person Day & Night Courses

We offer all our courses Live Online & Live In-Person. This allows you to attend remotely, in-person, or a mix. We also offer day & night courses.

6

Food and Drinks Included

If you attend In-Person, we include unlimited snacks & drinks. We also include Lunch for our day courses.
