

# Zeidler Announces Addition to Calgary Partnership Team

PRESS RELEASE JAN 4, 2018

Project Architect and Director and is

Architect James Brown, with more than 19 years of experience, has joined the Calgary Partnership Team.

CALGARY, Alberta, January 4, 2018 (Newswire.com) - Zeidler Partnership Architects, an architecture firm in Canada, has announced that the company's Calgary partnership team has expanded, bringing on architect James Brown. Brown, who spent 19 years working for Bing Thom Architects as a ~~director, project architect,~~ is set to start his new position at Zeidler on January 8, 2018.

Zeidler's architecture partners are innovators, trendsetters and experts in their craft. Their team of architects, interior designers, landscape architects, and planners are guided by the shared desire to deliver excellent design. Brown will be working in collaboration with other Calgary partners including Vaidila Banelis, Stephen Bugbee, Bill Mitchell, Jean Guy Beliveau and Sean Crawford.

Brown has worked as an architect since completion of his masters of architecture at the University of British Columbia in 1998. He has professional affiliation with Architects Alberta Association of Architects and is a member of the Royal Architecture Institute of Canada.

While at Bing Thom's Brown has been Director of many of the firm's key institutional and cultural projects, which include Arena Stage in Washington DC and Macewan University's Allard Hall in Edmonton Alberta.

"We are excited to welcome James Brown to our expanding Calgary Partnership Team," says Vaidila Banelis, Executive Partner. "For more than 60 years, Zeidler has offered clients a dedicated team of creative minds whose craft and vision is shaped and informed by sound practical expertise. James will bring a wealth of experience and knowledge to his new position."
