VMG AND STRATFORD PHARMACEUTICALS
RENEW PARTNERSHIP IN 2018

Oldsmar, FL— Effective January 1st, 2018, Stratford Animal Health is pleased to announce the renewal of service agreement with VMG (Veterinary Management Groups) for the year 2018.

Stratford Pharmaceuticals and Veterinary Management Groups (VMG), are pleased to announce a renewal of their service agreement through 2018. Under this agreement, Stratford will become the exclusive partner for Custom Label Products, Dermatology and Supplements to VMG's 1,000+ member hospitals. VMG is primarily a study group organization that focuses on collaboration and benchmarking, but also offers substantial member discounts on a wide range of products and services required to manage a successful practice. For more information: www.veterinarystudygroups.com

Since Stratford's inception in 2012, it has built a product line containing more than 60 products and achieved nationwide distribution. Brian Nugent, CEO of Stratford Pharmaceuticals said, "Our industry leading and unique clinic labeling program has allowed VMG members the opportunity to brand, market and build solid relationships with their clients; therefore, driving sales back to their practices. We look forward to continuing working with VMG to provide Best Medicine, Best Pricing, and Best Business."

Stratford Pharmaceuticals is certified and an award-winning, "A" rated quality provider by the NASC (National Animal Supplements Council). The line features dermatology, joint health, otic, dental health and digestive support categories. www.stratfordrx.com
